Minutes of meetings of RC Cell held on 16/08/2023

The following were present during the meeting held on 16/08/2023 at PMB Lab, 2:00 PM onwards-

1. Prof. Ram Shabd Yadav (Convenor)
2. Prof. J. P. Srivastava (Member)
3. Prof. D. P. Rao (Member)
4. Dr. Nidhi Nagar (Member)
5. Dr. Surendra Pratap Singh (Member)

Agenda:

1. Identification of potential research collaboration opportunities
2. Discussion of collaboration strategies
3. Next steps and action items

Meeting Proceedings:

1. Identification of Potential Research Collaboration Opportunities:

The committee members engaged in a discussion to identify potential research collaboration opportunities for DAV College Kanpur. Several suggestions were made, including:

- Collaboration with universities and research institutions in India and abroad.
- Seeking industry partnerships to fund and support research projects.
- Exploring collaborations with government agencies and departments for research grants and projects.
- Establishing partnerships with non-profit organizations focused on research in relevant fields.
- Promoting interdisciplinary collaborations within the institute.

2. Discussion of Collaboration Strategies:

In this meeting, the committee discussed strategies for approaching potential collaborators and fostering successful research collaborations. Key points included:

- The development of a clear research proposal that will be presented to potential collaborators.
- Identifying shared research interests and objectives.
- Establishing clear communication channels and expectations.
- Defining roles and responsibilities of each party involved.
- Ensuring ethical and legal compliance in all collaborations.
- Regularly reviewing and assessing the progress of collaborations.

3. Next Steps and Action Items:

The committee agreed on the following action items:

- Each committee member is responsible for identifying potential collaborators in their respective fields.
- The committee will draft a template for research proposals.
- The Chairperson will initiate contact with potential collaborators to gauge interest.
